

Description of Additional Supplementary Files

File name: Supplementary Data 1

Description: Data behind figure 1. Read counts and prevalence for each virus.

File name: Supplementary Data 2

Description: Data behind figure 2A. Prevalence and credible intervals for each virus for Wolbachia-infected and Wolbachia-free flies.

File name: Supplementary Data 3

Description: Data behind figure 2B. Risk ratio and credible intervals for each virus.

File name: Supplementary Data 4

Description: Data behind figure 2C and supplemental figure 3. Viral load for each virus for Wolbachia-infected and Wolbachia-free flies.
